

# Meet the teacher

## About Me

This is my sixth year in education. The first few years of my career were spent as a Special Education teacher in beautiful Colorado, but I am now entering my third year as a first grade teacher. This is my second year in Lindale. Having spent much of my childhood in Texas, I feel like I have come back home.

## Favorites

### Color:

Turquoise

### Candy:

Chocolate

Vanilla or  
Caramel

## Fun Facts

I am passionate about musical theatre and animal rescue. I have rescued 10 cats, two of which are now permanent parts of my family!
