I was born and raised in the United Kingdom, where I studied English Literature and Language at King's College, University of London. It was here that my lifelong love of books and creative writing began. I taught in Zagreb, Croatia for 5 years, and my family and I have lived in Lindale for the past 10 years. Living in various cultures and places has fostered in me a love of learning more about the world around me, and I enjoy sharing this love of learning with my students. I taught fifth and third grade at Carlisle Elementary in Price, Texas for 6 years, and I'm looking forward to teaching my second year at Lindale ISD. I enjoy travelling, meeting friends for coffee, spending time with my husband and two children, and walking our dog, Canyon.
