Welcome to 3rd grade!  
I teach all subjects (self-contained)  
and GT.  
“We are Family!”

@HeyMISSHAut 2020

I have been teaching for 18 years, and this is my 12th year at CSE. I have always taught 3rd grade except for my first 4 years of teaching when I taught 4th grade. I have been married to my husband Jay for 20 years, and we have two daughters. Charlotte is 18 and is a Freshman at Texas A&M University! (Gig ‘em!) Samantha is 16 and is a Junior at LHS. She is the captain the LHS Star Steppers drill team. CSE is the place to be, and I am so glad you are here!  
Let’s have a great year!
